TECHNICKÁ SPECIFIKACE

Účel produktu

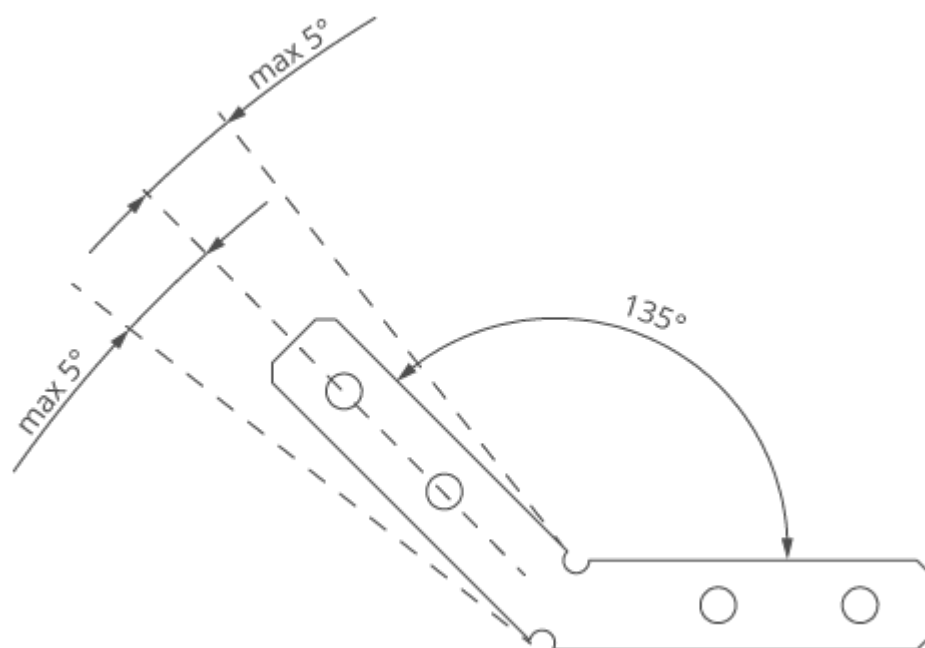

- ke spojování rovných a úhlových profilů KLUŠ vybavených „malým zámkem“ a ke stabilizaci koncovek profilů montovaných v řadě

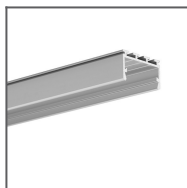

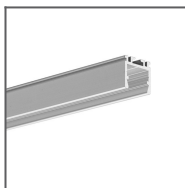

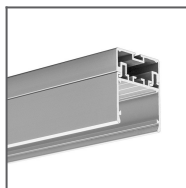

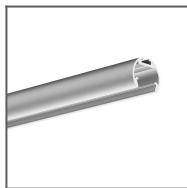

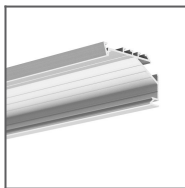

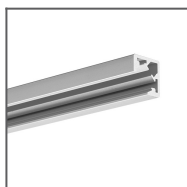

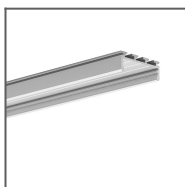

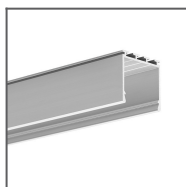

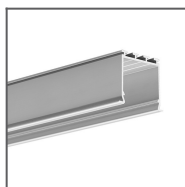

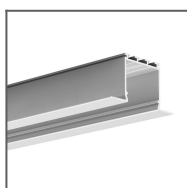

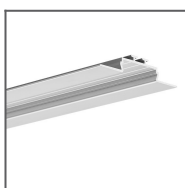

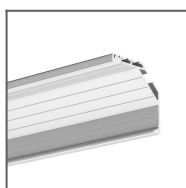

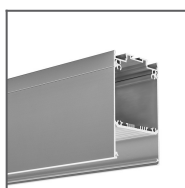

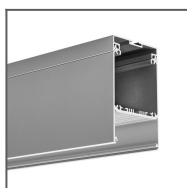

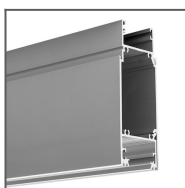

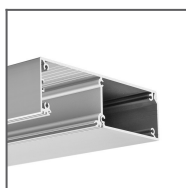

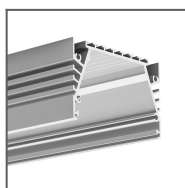

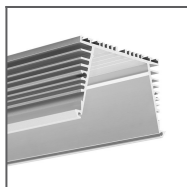

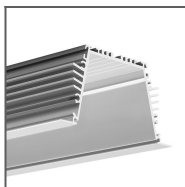

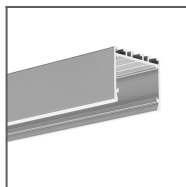

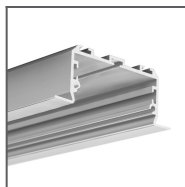

Instalace

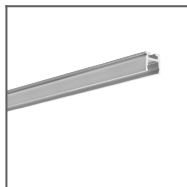

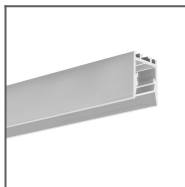

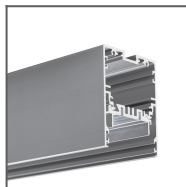

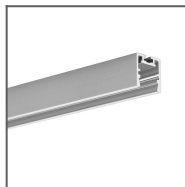

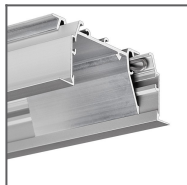

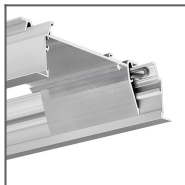

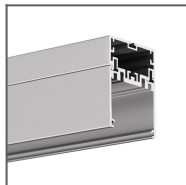

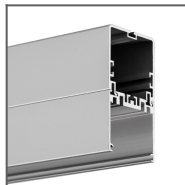

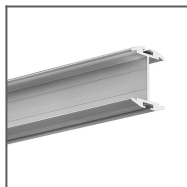

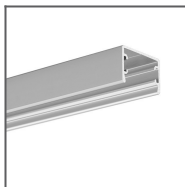

- pomocí utahovacích šroubů

Další informace

- plech z nerezové oceli, tloušťka 1.5 mm
- pokud je úhel mezi spojovanými svítidly jiný než nominální, můžeme jej ohnout do požadované hodnoty 5 stupňů na jednu stranu
